For Immediate Release

September 7, 2005

Back to School Shot Clinic

What: Immunization Preview

When: Friday, September 9, 2005, 10:30 AM

Where: CCFD Station 20, Judson & Lynn (NE of Lake Mead & Nellis)

CCFD, in conjunction with the Southern Nevada Immunization Coalition, is hosting a Shot Clinic for kids as they head back to school. “We are concerned that a number of families in this particular area cannot travel to the Health District”, said Melissa Stephenson, fire department Infection Control Nurse. “We believe that many more children will get the inoculations they need by coming to the fire station in their own neighborhood.”

**The “Back to School Clinic” will take place at Station 20 on Saturday, September 10, 10:00 AM till 1:00 PM.

Clark County Health District has provided vaccines for all childhood immunizations. Cost is \$15 for the first shot and \$20 for a complete series.

The media is invited to the location on Friday to help families become aware of the shot clinic and these activities associated with it:

- Fire Safety House
- Visit firefighters and Jelly Roll
- Back to school supplies
- Dental care education by health care professionals
- FF career information

NOTE: Spanish-speaking fire department representatives will be available.
