Re: 4th of July 10, 2005

Chief Greene,

I just wanted to express my sincerest gratitude to your department for their accessibility on the 4th of July holiday. We were granted a ride along with station #16. Captain Galen Upton and his crew went above and beyond in allowing us to shadow their every move. Prior to this experience my respect for firefighters was evident, but after spending an afternoon and evening with them, it's grown even more. It amazes me how they each do their job, and maintain a TEAM attitude through it all. If every station works as hard as this crew, the people of Clark County are fortunate and blessed to have these men and women protecting us with their committed service everyday. Thank you for your time.

Sincerely,

Chris Saldaña
