A Fire Department permit is required to operate an assembly occupancy with an occupant load of 300 or more persons. Each permit is renewable either semi-annually or annually (see #'s 2 & 3), and shall be renewed prior to expiration. To obtain an assembly permit, the following requirements must be met:

During any six month period of time you have the need to add an event/show to your permit, submit the name and dates of the function along with the permit number and type of plan that will be used. Should a new plan that has not already been approved for this permit be submitted, a new application and minimum permit fee of \$75.00 will be required.
