

Las Vegas,
July 26th, 2004

Clark County Fire Dept.
575 E. Flamingo Road
Las Vegas, NV

Gentlemen:

On Monday, July 19, 2004, it was necessary for my husband to call 911, as I was having serious breathing problems.

Paramedic Unit # E-22 responded, Captained by Fireman Robison. Upon entry, the Paramedics immediately went to work doing the job they were trained to do. Captain Robison also immediately took charge, asking vital

2
questions in a very expert and knowledgeable manner.

It is because of this professional experience and know-how I am now at home and able to write this letter.

I would appreciate your expressing to the personnel of Unit E-22, my eternal thanks for a job better than well done.
God Bless The Paramedics.

Affectionately,
Virginia B
