Earl A Greene
Fire Chief

Dear Mr. Greene:

We have a Safe Neighborhood Award that we want to present to the Clark County Fire Department. We would like this check for \$2,250.00 to go to Fire Station 25 across the street from our Club.

As on Wednesday, September 22, 2004 we had a tragic accident that claimed the life of one of our long time associates. The two men from station 25 that responded to the call that evening were Dave Mesinar and Jason Martinez. We would also like to add our deepest gratitude for all of their help and show our appreciation for the assistance that they give our entire community.

Sincerely,

Jonathan Coley
General Manager
