Dear Ms. Laurie Busch and the Firefighters of Station 26,

On behalf of the students and teachers of Building Blocks Child Care, I'd like to send a heartfelt thank you for visiting us today. The children learned so much about fire safety and teamwork within our community. This was an educational "first" for many of our little ones. Thank you for taking your time to teach us important awareness tips. And thank you for allowing them to have a "hands on" experience as they climbed through your fire truck. This will remain a memorable day for all of us.

We are so fortunate to have caring professionals as yourselves in our community. Once again, thank you for a thoroughly enriching experience.

Sincerely,

Nelda B.
Director
